**Subject:** Here's a simple way to reduce air pollution

[REDACTED], did you know you have the option to [power your home with 100% clean, pollution-free energy](#)? Thankfully, you no longer have to support conventional electricity sources—like coal and gas—that produce carbon dioxide and contribute to air pollution.

When you [sign up](#) and start service with CleanChoice Energy, you won't notice any change in how your current electricity works—your utility will still prepare your bill and provide reliable service. But we'll do the work to make sure wind and solar is sourced from your region for your home—helping to prevent air pollution for you and your community.

[Signing up only takes a few minutes](#). All you'll need is your electric utility account number from your bill to complete the process.

[Sign up today](#)

If you have any questions, please don't hesitate to give us a call at [1-800-782-2685](tel:1-800-782-2685). Mention Offer Code **CleanOption50** to receive your \$50 Visa gift card when you start service.

\*Terms Apply. You will receive a \$50 prepaid Visa gift card if you enroll a new account and start service. A redemption code for your Visa gift card will be sent by mail or email 1-3 weeks after your service start date, which is set by your utility and could be up to 8 weeks after you sign up. This offer may not be combined with any other promotional offers. Limited time offer. Terms subject to change.
